START SHAPING A FAIRER, MORE SUSTAINABLE WORLD

START A CONVERSATION

Talk to others in your church about getting involved in the Pledge. Look at the online resources. Let us know you are interested, and we'll help you get started.

EXPLORE THE FOUR ACTION AREAS

Use the Pledge resources to reflect on where you are already making a difference. Discover where your church can take action to connect money, faith and a fairer world.

AGREE YOUR NEXT STEPS

Choose the actions you'd like to take. Switch to an ethical bank, look at where you spend money, support businesses doing good, get campaigning – you decide!

RECORD YOUR PLEDGE ONLINE

When you are ready, record your Pledge via our online form and start taking action. Join a movement of churches taking practical steps to shape a fairer, more sustainable world!
